

1ST PRESS RELEASE

May 2023

C.H.A.N.G.E.R.S.-2.0 HAS STARTED!

C.H.A.N.G.E.R.S.-2.0 is an **Erasmus+ project** that aims to develop targeted training materials for rural seniors to improve their access to adult learning opportunities on specific topics which can help them **fight against climate change and energy poverty** and contribute to **sustainability**.

The main results will be a set of **training materials tailored for seniors** and translated to the languages of the project partners. The project will also create related **methodology and toolkits** for the successful implementation of the knowledge transfer with two different approaches addressing the special needs of this social group: **one will rely on training opportunities with the advantage of local proximity, the other will provide a transgenerational approach.**

The CONSORTIUM of the project is composed of:

The Coordinator

- CAM - CAM Consulting Kft. from Hungary

Partner Organisations

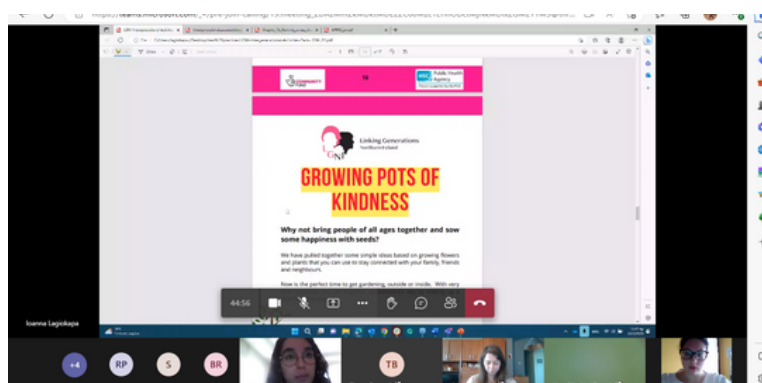

- Project in Motion Limited from Malta
- Falco&Associati SRL from Italy
- BSC - Poslovno Podporni Center from Slovenia
- KMOP - Education and Innovation Hub from Greece
- Associagao de Melhoramentos e Bem Estar Social de Pias from Portugal
- Nyugdijasok Egyesiilete from Hungary

The Kick Off Meeting of the project was held in Budapest, Hungary, **the 10th and the 11th of January 2023**; all the partners had the chance to introduce themselves and their organisation, followed by presentations on the first project activities and scheduling of the future steps.

After this succesful meeting, the consortium met again, online, for a 2-day **WORKSHOP** in May 2023, a fruitful opportunity to **work all together, to reinforce the collaboration among the partners and get ready for the next challenges!**

Let's keep in touch!
