

Sustain**Ability** Memory Game

Suitable for players of all ages!

How to play

1. Players print and cut the 32 cards (p. 2-9), ensuring double-sided printing.
1. Shuffle the cards, and place them face down in a grid formation on the table.
1. The first player begins by flipping over two cards. If the two cards form a matching pair, the player collects them and then selects two more cards. If the cards don't match, they are turned face down again, and the next player takes their turn.
1. The game continues until all pairs have been matched.
1. The player with the most cards at the end wins the game.
