

C.H.A.N.G.E.R.S. - 2.0

The Project

C.H.A.N.G.E.R.S.-2.0 project aims to develop targeted training materials for rural seniors to improve their access to adult learning opportunities on specific topics which can help them fight against climate change and energy poverty, and contribute to sustainability such as energy efficiency, sustainability in households and adaptation to climate change.

Co-funded by
the European Union

Funded by the European Union. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or the European Education and Culture Executive Agency (EACEA). Neither the European Union nor EACEA can be held responsible for them. "Change Household Attitudes for a Non-wasteful, Green environment and Energy-consciousness addressing Rural Seniors" project number: 2022-1-HU01-KA220-ADU-000089052

A GLANCE AT OUR RESULTS

WE DEVELOPED:

- **A methodology development for teaching on sustainable and green household topics to seniors locally**

It establishes a solid methodology for the development and usage of the training material and toolkits on sustainable and green household topics.

Scan to download

- **A methodology development for teaching on sustainable and green household topics seniors from transgenerational aspect**

It focuses on transgenerational co-education, i.e., how children/grandchildren/neighbours can help seniors in the green and sustainable topics in a form of co-education.

Change Household Attitudes for a Non-wasteful, Green environment and Energy-consciousness addressing Rural Seniors

- **A Toolkit for trainers organising intergenerational workshops for rural seniors on sustainable and green household topics**

It guides adult learning stakeholders, who educate mostly in sustainability to senior cohorts (65+) and who are interested in introducing an intergenerational element to the younger generation.

This Toolkit includes some games developed by the Consortium:

- Memory Game
- Comics
- Word Search
- Green board game for all
- Board Game Pro
- Puzzle
